HOGLESS LARD

Made by Nature. As pure, as healthful, as wholesome as the grape of the vine or the fig of the tree.
For all cooking—better, cheaper, and healthier than the best of the hog—as good as butter for most purposes.

News of Petersburg

Times-Dispatch Bureau,
100 North Sycamore Street,
Petersburg, Va., October 10.
A meeting of the Democratic voters
of Templeton District, Prince George
county, was held yesterday to organize
a Bryan-Kern-Lassiter club. The
meeting was called to order by Dis-
trict Chairman C. H. Leahy, and the
organization was effected by the elec-
tion of the following officers: Presi-
dent, Mr. W. B. Daniel; Secretary, C.
H. Leahy; Vice-Presidents, T. Rives, V.
A. Parker, J. O. Faision, E. T. Birrell,
O. S. Williams, J. H. McCann, and J.
D. Webb. It was moved and carried
that all Democrats in the county are
eligible to membership in the club, and
all are requested to join. A committee
of speakers was appointed consisting
of R. M. Daniel, T. A. Leahy and W. C.
Alley. A committee to solicit members
was also appointed, consisting of T.
C. McCann, R. M. Daniel and J. H.
McCann.

Senator A. R. Hobbs, county chair-
man, was present, tendered his ser-
vices to the club and promised to be
with them in their work. The club ad-
vanced until Friday night next, when
there will be speaking. The meeting
was well attended and much interest
was manifested.

The Petersburg Democracy organized
last night under highly favorable au-
spices, and under the presidency of
Mr. R. P. Barham, the club will re-
main active and effective service in uniting
the Democrats of the city in the work
of the campaign and in bringing all
the voters to the polls on election
day.

TO HOSPITAL BOARD

Lynchburg Retail Merchants to Urge Estab-
lishing of Colony.

LYNCHBURG, VA., October 10.—Now
that the Lynchburg Retail Merchants' As-
sociation will send a committee before the
next meeting of the General Hospital Board of
the State to urge that there be no
further delay in beginning the work of estab-
lishing the state hospital colony in
Amherst county, it is believed that the
board will take steps at no remote date for
the initial work. More than \$10,000 is
already in hand, the beginning, with the site
already the property of the State, having
been willed to the State by S. R. Mur-
kland, who died about three years ago.

It is generally claimed here by those who
have determined to do their duty that the
board has determined to do their duty
until after the meeting of the next Leg-
islature in order to secure an amendment to
the statute which will make it possible to
establish the colony at an earlier date.

It is claimed the statute providing for
the establishment of the colony gives the
general board no latitude except the selection
of another site in Amherst county. If it
is desired to have the colony established
in the bounds of the Virginia Conference,
the officers of which are to be named by the conference.

Action looking to such an end has
been taken by the Farmville District
Conference. A resolution on the sub-
ject passed by that body will be pre-
sented at the session of the annual
conference in this city in November,
petitioning it to appoint a committee
to plan, build and to firmly establish
a hospital within the bounds of the
conference to be known as the Vir-
ginia Methodist Hospital.

It is learned that when the matter
is brought before the conference it
will meet with the hearty approval of
that body and definite steps taken to-
ward a consummation of the much-
needed institution, thus placing the
Virginia Conference on a footing with
other State conferences of the Meth-
odist Episcopal Church, South, that
are successfully operating such institu-
tions in the interest of suffering
humanity.

Rappahannock Fair Society Orders All Pre-
miums Paid

(Special to The Times-Dispatch.)

FREDERICKSBURG, VA., October 10.—The
directors of the Rappahannock Valley
Agricultural Fair Society at a meeting here
ordered all premiums awarded at the
recent fair paid in full. There was an
extra \$1,000 left over from the
prizes paid, and the society voted to
use this extra amount for the
annual meeting of the stockholders for
the annual election of officers
on October 20th to 22d.

Tucker to Speak.

Hon. H. St. George Tucker will address
the people of Caroline county at Bowling
Green on Monday next (court day). He will
come to take the city the same evening
and speak in the courthouse that night.
He is a great wit, handling sarcasm
as easily as his home just across the
Rappahannock River was caught between
the machinery in the shed and his shoulder
blades, and several times.

In the Corporation Court here Walter
Pole (colored), charged with assault on
William Washington with intent to kill,
was given a verdict by the jury of one year
in the penitentiary.

CHIEF KIZER IN CHARGE.

Doubt is Exposed Whether He Can Ap-
point New Captains

(Special to The Times-Dispatch.)

NORFOLK, VA., October 10.—The question
of whether or not Chief Kizer can name
captains and sergeants to succeed
the ones he has recently named, has
been the topic of discussion in local political circles
to-day. It is admitted that he will en-
deavor to make changes within the next
week or ten days.

The majority opinion is that under the
law the incumbents cannot hold
over any longer than successors are named,
approved by the board of control and
commission. Members of the board of
control and the commissioners if they would
make any changes in the commandants
would have to do so by a vote of the
entire board.

Chief of Police Charles G. Kizer and
Fire Chief R. F. McLaughlin, successors of
H. Malory Bough, and H. Kegelius, re-
spectively, assumed the duties of their
departments this morning. Chief Kizer re-
ported early, taking command at 8 A. M.,
when Chief Bough came down for the day,
and Chief McLaughlin taking charge at
9 A. M.
